This year we are also celebrating a milestone of 15 years of PEACH's dedication and commitment to bringing awareness to lead poisoning prevention, healthy homes, and environmentally safe communities. Please support this event and join us on Saturday, October 29, 2022 from 11:00am-3:00pm, 800 N. Mangum Street, Durham, NC (Rain location 214 Broadway Street)

### **Our Mission Statement**

Partnership Effort for the Advancement of Children's Health (PEACH) began as a collaboration between North Carolina Central University (NCCU) and Northeast Central Durham (NECD) Community Reinvestment Board, Inc. PEACH has grown to become a 501 C(3) social enterprise providing lead-based paint and healthy homes environmental services. The mission of PEACH is to improve community health and economics by creating a sustainable workforce to reduce environmental hazards. PEACH's vision/goal is to help ensure that every child will grow up in an environmentally safe home. The overall work of PEACH is to create thriving communities where children and their families flourish because of the removal of lead in their environment.
