

This Giving Tuesday, PEACH is thankful for your support!

Thank you to:

Our volunteers...

Our partners...

Our community members...

and to Our city and county of Durham for recognizing 15 years of service to the community and declaring Lead Poisoning Prevention Week in October.

Make a contribution today, to help PEACH continue our efforts to improve community health and economics by creating a sustainable workforce to reduce environmental hazards that impact our children.

Ways to give:
